STUFF PARENTS LIKE

SAFETY FIRST. That is why all events are supervised by trained Silver Birch Ranch Staff. A trained nurse is on campus at all times and an urgent care is relatively close by for bigger issues. In Addition, all interactions and free time will be facilitated by a 1 to 5 ratio of vetted and trained adult leaders. All leaders are background checked and have a long history with our programs. Sleeping arrangements are in heated cabins and supervised by a minimum of two adults. We are also committed to providing safe and trustworthy content. Our goal it to offer content that not only relates to students but also challenges them in their next steps with God.

FINANCIAL ASSISTANCE

We never want finances to be the reason a student cannot attend a camp experience with us. By God's grace we have been able to work with donors to create assistance for those who need it. To start the process, please email mike.locke@m-vstaff.email along with the requested amount.
